Centre of Professional Excellence

About us

Pharmacist plays a vital role in today's world in raising standards of Pharmacy services & Professional practice. Providing the medical experts with dependable drugs, which help in maintaining health standards of a country. Pharmacy professionals ensure that, the right medicines should always within reach of common peoples, their role is crucial for the well-being of a Nation.

In the emerging global pharmaceutical and health care scenario, WTO has thrown several challenges to all Indian Scientists and technologists. We have accepted these challenges. Our aim is to give nation and the world, leaders ready to handle complexities of the modern pharmaceutical industry.

Vision

To be a centre of professional excellence by contributing honestly to the pharmacist moulding process.

Mission

- Impart high quality education to graduates
- Upholding human values and ethics
- Contribute to all spheres of professional activities
- Nurture them into globally competent professionals

From the Principal's Desk

Dr. Rajendra S. Bhambar
M. Pharm., Ph. D., M.B.A.

I feel extremely proud and happy to express a few words about MGV's Pharmacy college. The college since its inception has been committed in providing holistic education to students by giving adequate importance to skills-based training, technological know-how and sports. The college has succeeded in its pursuance of excellence

in academics as proven by the increasing number of toppers. In the field of extra-curricular activities too, there has been an enthusiastic participation and exhibition of talent.

At MGV's Pharmacy College, we serve our scholars to become responsible pharmacists through as par training which provide them excellent employment opportunities. We are proud that our students are at the forefront of the pharma industry in India as well as abroad too.

The institute focuses on imparting quality education in all core disciplines of knowledge and developing future professionals who are confident, smart, intelligent, bond to ethics and values and engaged with leadership qualities.

We invite you to our campus for a great learning experience and we assure that this college will provide the right beginning to the successful career.

We are taking various initiatives to gear up the growth of our institutions in the area of research, co-curricular and extra-curricular activities.

MGV's Pharmacy College apart from regular and sincere academic schedule has organized various activities and programs such as Annual gathering, Ganesh Festival, Blood donation camp, Plantation of medicinal and other plants in the campus, organization of various workshops, national and state level seminar, guest lecture of various eminent personalities from the field of pharmaceutical industries and academics.

All these activities have boosted the confidence and ability of students. All-round personality development of our students has been our key focus and we strive to fulfill it. The Anti- ragging cell is also functioning as per the norms and directives of PCI, AICTE and Govt. of Maharashtra.
