About M.G.V

Under the inspiration, foresight and idealistic vision of Late Karamveer Bhausaheb Hiray, Mahatma Gandhi Vidyamandir trust had its humble beginning in 1952, with the precedence of Advaiti Seva Samiti founded in 1945, with devotional motto-BAHUJAN HITAY BAHUJAN SUKHAYA (benefit and happiness to one and all). The great successors Late Vyankatraoji Hiray and Hon. Pushpatai Hiray took forward the trust and gave justice to the motto of the trust. Currently the trust is working under the able guidance of Hon. Dr. Prashant V. Hiray and it is further nurtured by Hon. Dr. Apoorva P. Hiray and Hon. Dr. Advay Hiray who in tune with the time has expanded the scope by establishing professional colleges. MGV's Education trust has gained massive appreciation since inception and has already set a high benchmark in the field of education. The institute started with diploma course in pharmacy in the Nashik's list of professional institutes and gradually expanded to a vibrant center of excellence. Mahatma Gandhi Vidyamandir's Pharmacy College is one of the oldest private educational institute under Savitribai Phule Pune University. MGV runs D.Pharm (since 1972), B.Pharm (since 1993), M.Pharm (since 2005) & Pharm.D (Since 2020) courses.

It is also a recognised Ph.D. center of Savitribai Phule Pune University, in Pharmaceutical Sciences. The dedicated research efforts of MGV staff is reflected by acquiring around 300 publications in national and international journals and grants worth more than 80 lacs from AICTE, SPPU and various sponsored projects. The college houses sophisticated instruments worth more than 2 crores. It is expanding and growing under the dynamic leadership of Principal Dr. R. S. Bhambar.

Vision : "To be a centre of professional excellence by contributing honestly to the Pharmacist Molding process".

Mission : "To impart high quality education to graduate and nurture them into competent professionals who can contribute to all spheres of professional activities while upholding human values".

About the Workshop :

The objective of the two day national level workshop is to strengthen and improve the quality of technical education in order to adequately meet the need of industry and economy. To integrate industrial training and academic research for the benefit of students, institute and industry.
