Mahatma Gandhi Vidyamandir Trust was founded and established by Late Karmaveer Bhausaheb Hiray, on 2<sup>nd</sup> October 1952. He was a staunch freedom fighter and Ex- Revenue Minister of the then Bombay Province. He was the founder of two well known educational institutes in Nashik District namely “Adivasi Seva Samiti” in 1945 and “Mahatma Gandhi Vidyamandir” in 1952. He had established these institutes with an objective that good education alone can bring about intellectual awakening in the people with the devotional motto-BAHUJAN HITAY BAHUJAN SUKHAYA (benefit and happiness to one and all). His successor Late Vyankatraoji Hiray made MGVT a temple of learning with a string of educational institutes. A humble beginning was made with great zeal, enthusiasm, dedication, sacrifice and spirit of service that helped us progress by leaps and bounds. The main source of development of the organisation was assisted by the rich advice from Hon. Pushpatai Hiray, Chairperson of Mahatma Gandhi Vidyamandir, (Ex-minister in Maharashtra State Government). Their successor Hon. Dr. Prashant V. Hiray, General Secretary of Mahatma Gandhi Vidyamandir, Malegaon, Secretary of Adivasi Seva Samiti, Nashik, and Ex-Minister (Transport & Protocol), Government of Maharashtra, further nourished the trust by establishing professional colleges in the fields like Dental, Management, Pharmacy and Catering technology. All these institutes have made dynamic progress under his guidance and provide an inspiring academic ambience. Hon. Dr. Aapoorva Prashant Hiray, (MLC) Co-ordinator of Mahatma Gandhi Vidyamandir and Hon. Dr. Advay Prashant Hiray further ensured to inculcate in students a desire to gain knowledge and skills that can enrich their lives in future.

Hon. Mr. B. K. Deore Vice-Chairman of M.G.V; Hon. Sau. Smita Hiray, Treasurer of Mahatma Gandhi Vidyamandir Nashik and Adivasi Seva Samiti, Nashik; and Hon. Dr. V.S. More, Joint Secretary of Mahatma Gandhi Vidyamandir are mentors and always look for excellence in education.

Mahatma Gandhi Vidyamandir's Pharmacy College, Panchavati, Nashik was established in 1993 and is actively involved in enhancing the quality education in era of competitive globalization through dedicated efforts of all faculty members. We have D. Pharm, B. Pharm, M. Pharm (Pharmaceutics, Pharmacology, Pharmagognosy, Pharmaceutical Chemistry and Quality Assurance), Pharm D and Ph. D. courses. The Pharmacy college has been NBA –I Cycle accredited (2019-2022), ISO 9001:2015 accredited in 2021-22 and appeared for NBA-II cycle in July 2022.

**Vision:** “To be a centre of professional excellence by contributing honestly to the pharmacist moulding process”.

**Mission:**

- Impart high quality education to graduates
- Contribute to all spheres of professional activities
- Uphold human values and ethics.
- Nurture them into globally competent professionals

The mission statement mentioned above is a concise statement which is further elaborated taking into view of all the programs offered by the institute.

**M1-Education:** To provide high quality education and training to students and develop them into competent professionals.

**M2- Professional:** To create extension and awareness programs in the field of Pharmacy and undertake collaborative work which offer opportunities for long term interaction with stakeholders.

**M3- Values and Ethics:** To be an institution of recognition that nurtures values, talent and develops human potential to its fullest in the most ethical way.

**M4- Commitment:** To develop knowledge, intellectual skills, and dispositions that support responsible commitment to sustainable development, human rights and well being; thereby reflecting a true global citizen.

**Program Educational Objectives**

**PEO1- Learning:** To generate graduates who would demonstrate sustained learning and put knowledge to work on a large scale with excellence for the benefit of society.

**PEO2- Core-competence:** To create graduates who would strive to disseminate research findings and deal with issues by applying professional skills that would mould them into a globally competent professional.

**PEO3- Teamwork:** To engage graduates in professional ethical practices in a multidisciplinary environment, while contributing to organization through leadership and building team spirit.

**PEO4- Sincerity:** To groom graduates honestly in all spheres of multidisciplinary professional activities in the right spirit, intellect and deeds.

## **SWOC ANALYSIS:**

2. Professional core competence need to be enhanced
3. Need to strengthen Academic-Industry interaction.
4. Poor engagement of students in social activities.
5. Placement activities needs improvement.
6. Pilot plant set up to be established in labs to mimic industry environment

### **Opportunities:-**

1. Bridge the Industry Institute gap by functional MOU with Industries.Regular visits and on Job Training in Industry and Manufacturing Units to give live opportunity and experience to students in manufacturing process.
2. Motivation to staff and students for participation in research activities by funded / sponsored projects by various govt and nongovt organisations..
3. More than 25 years of alumni support can be utilised for significant placements.
4. Availability of Infra facilities like Indoor and outdoor sports,Canteen,parking area,washrooms.
5. Guidance for competitive examinations like GPAT,UPSC,MPSC
6. Motivation to staff and students for publication of quality research papers and patents
7. Regular participation of all staff in FDP/MOOC for updation of knowledge.

**Challenges:-**

1. Infrastructure extension
2. Allocation of funds for research from various sources.
3. Strengthening the Placement activities.
4. Establishing international or national ranking
5. Maintaining quality education while competing with increasing number of colleges in nearby vicinity.

**Strategic Objectives 2022-2027**

1. Be acknowledged as one among the leading highly respected college focused on Teaching, Learning and Research by 2027
2. Sustain and Enhance Excellence in Teaching, Research, and Social Impact.
3. Have global footprint by excelling in communication, collaboration and consultancy.

**Goals**

1. The College aspires to be in the top 100 colleges in the country in various rankings done by government and other media and Accreditation organizations by 2027.
2. Building a strong academic culture with high student-faculty ratio (1:12 to 1:15), skill and attribute-based curriculum and high-quality faculty resources (PhD >80%).
3. The institution wants to develop itself as a center of excellence in research, knowledge creation and dissemination.
4. The college plan d to draw a road map which aims to achieve its autonomous status by 2027. This scale up shall be assisted through amalgamation of various institutions under its management including HMCT, MBA, Dental, Law Music and Arts.
5. Develop MGV as a reputed educational brand in India. For an institution to attract students and faculty, it should build a powerful and authentic brand. MGV will invest in building a strong brand rooted in excellence and value in the next five years.

### **Action Plan to achieve the goals- 2022-2027**

**Goal1 The College aspires to be in the top 100 colleges in the country in various rankings done by government and other media and Accreditation bodies.**

MGV's Pharmacy College aims to be amongst the top 100 colleges as per the NIRF Ranking by 2027. The B.Pharm Program of the college has been accredited by NBA –First cycle. The college is also ISO 9001:2015 accredited. The college was re-inspected for II cycle NBA and awaiting for results.

According to NEP 2020, Universities are envisaged to be having a large scale of operations focused on research and learning. Also, NEP recommends two types of universities – Research and Teaching. MGVPCL initially has to focus on its teaching and learning competency and gradually transform itself into a research focused university building on the current competency around teaching and learning.

NIRF and NAAC/NBA concentrate on key parameters like teaching and learning, research, student outcomes, support and progression, outreach programs and its impact, governance leadership and values, and perception. The action plan focuses the institutions' effort in these critical domains.

- Strengthen the administrative process and governance mechanisms benchmarking with world-class universities through
  - o Active governing body consisting of eminent academicians and industrialists
  - o Proper succession planning and career advancement schemes that enable smooth transitions in the top management positions.
  - o Creation of administrative policies and ensuring the transparency and ownership of these policies at all levels of the college.
- Strengthen the processes by benchmarking with ISO quality management international accreditations
  - o Encourage each department to strive for accreditation and higher rankings in their respective domains
- Strengthening the HOD through delegation and proper authority and allocation
  - o Ensure that key roles are handled by people with experience and competency through

transparent and efficient CAS and recruitment wherever necessary.

- Strengthen the financial performance of the college by tapping resources such as college Corpus, Consultancy services, UGC/AICTE funding, Alumni support and other funded projects.
- Increase the number of linkages to 30 within ten years across the Globe. We will give emphasis to build relationship with universities and Industries of repute across the world.
- Develop proper metrics for evaluation of the relationship in terms of faculty exchanges and student exchanges.
- Guidance and training for competitive exams for the students

**Goal 2: Building a strong academic culture with high student-faculty ratio (1:12 to 1:15), skill and attribute-based curriculum and high-quality faculty resources (PhD >80%).**

#### **Actions**

- NEP has put lot of focus on skill development among the student community. Mahatma Gandhi Vidyamandir's Pharmacy College (MGVPC) would like to have the students develop key competencies like Leadership, Teamwork, Communication Skill, Social Sensitivity etc. It believes that these skills are developed in students by encouraging them to participate in various extra-curricular events and inter-collegiate competitions.
- We will Increase faculty engagement with students aimed at augmenting the students' life-transforming experience and favoring the development of their abilities, skills, and competencies through the effective mentoring program. We will invest in training our faculty members to become excellent mentors for our students thereby enriching the student's life at MGVPC.
- MGVPC commit to continue and strengthen efforts to innovate the teaching model, enhancing the use of interactive methodologies, tools, and technologies aimed at improving the learning process of students. At least 50% of the pedagogy will be through student-centric learning methodologies.
- MGV PC will strengthen the existing Start up Innovation Cell by motivating, guiding and grooming them through the entire process of participation. The college plans to tie up with established govt incubation units in the next five years.
- Assessment and feedback is vital in any teaching and learning endeavour. MGVPC would develop competency in analytics and use data to measure the student's learning, competency and satisfaction.

- The faculty is the key to success of any institution of repute. MGVPCC recognize this and will ensure that there is a resource pool of faculty members who have a high caliber of research and teaching. We will encourage the recruitment and retention of quality faculty by committing greater rewards for excellence in teaching and research. We will ensure that MGVPCC have a best faculty-student ratio between 1: 12 to 1:15.
- Recruit Faculty with Ph.D. over the next five years and encourage existing faculty members who do not have Ph.D. to complete their doctoral degree. The goal is to have more than 80% faculty members having their doctoral degree by 2027. MGVPCC needs to strengthen its PhD centre to develop a resource pool and also its research capabilities.
- Encourage faculty, students, and staff to use the strength of technology to enhance the teaching and learning process. MGVPCC already is using ERP and LMS for delivering the course resources and educational processes. We will try to enhance the effectiveness and robustness of the existing technology.
- Faculty enrichment programs like FDP, trainings in industry, ATAL-FDP, MOOC is a game-changer in the delivery of education. All faculty shall be made to train in this arena.
- We want all departments to have a robust list of Graduate Attributes/Program Outcomes for their students. These attributes should be used to derive the learning outcomes of various courses and each department should map these Learning Outcomes to courses so that at the end of the program, all learning outcomes are effectively embedded in the various courses.
- Other skills that can be nurtured in students include-Conduct of skill based certificate courses., participation in ODL courses for gaining credits.
- Up-gradation of laboratory facilities.andPre-placement training in soft skills are also required

**Goal 3 :** The institution wants to develop itself as a center of excellence in research, knowledge creation and dissemination.

**Actions**

- Create Research Budget (target >1 Crore) by 2027 for the resources needed for encouraging and conducting research. A research committee constituted at the highest level would oversee research fund allocations.
- Encourage research and publication in the respective departments. Investment in resources like Research Assistants would be encouraged in line with the research budget.
- Each department would strive to recruit and retain faculty with research aptitude and create a system of mentorship for faculty members who are in their initial stages of research.
- MGVP would like to make research and publication to be one of the priorities of the faculty members. This would include research and publication as one of the key result areas of the performance management system. NEP also focus on inter-disciplinary research among the faculty members. MGVP should be creating a platform for nurturing inter-disciplinary research work.
- Adequate training and mentorship will be provided to the faculty members to develop themselves as excellent researchers.
- The department would be encouraged to introduce research-based pedagogy like a dissertation, research projects to the students so that they can be converted into research and publication.
- The goal is to have each faculty to create at least 2 peer reviewed publications every year from every department.
- NEP 2020 envisages the creation of a research funding agency that will be responsible for giving funding to the institutions. We will encourage the faculty members to get funding for their research from AICTE, UGC, Government of India and other funding agencies. A research committee would be constituted which will monitor the effective use of the budget.
- MGVP will encourage inter-departmental collaboration in research and publication.
- MGVP would encourage the faculty members who are doctorate to enroll themselves as research guides at affiliated universities.
- We will encourage faculty members to have collaborative research projects with our partner universities and Industries.
- Each department should develop at least one research project every year with a partner university/industry in the next five years.

**Goal 4:** The college plans to draw a roadmap which aims to achieve its autonomous status by 2027. This scale up shall be assisted through amalgamation of various institutions under its management including HMCT, MBA, Dental, Law Music and Arts.

#### **Action Plan**

- Regular meetings of the top management with the Principals and Heads of various Depts are needed to keep a track on the progress of activities with the timeline to achieve the higher goals of the institution.
- The increased intake of the students needs to be supported by increased infrastructure and learning resources. Creation of new Physical Infrastructure wrt parking facility, canteen, common room, shall be needed.
- The college will be exploring various options to support this growth requirement through various financial plans.

**Goal 5:** Develop MGVP as a reputed educational brand in India. For an institution to attract students and faculty, it should build a powerful and authentic brand. MGVP will invest in building a strong brand rooted in excellence and value in the next five years.

For an institution to attract students and faculty, it should build a powerful and authentic brand. MGVP will invest in building a strong brand rooted in excellence and value. Investment will be made in building brand awareness across key markets in the next five years.

#### **Actions**

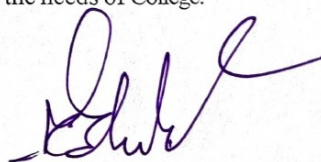

- Strengthen the brand by investing in brand building through various media and also through public relations.
- A separate marketing team will be created to effectively drive the brand promotion activities especially relating to admissions.
- Focus will be given in designing events, seminars, webinars, workshops and training programs to enhance the perception of MGVP as a Centre of excellence.

- Alumni connection will be nurtured and engagement will be enhanced through various activities and networking.
- Networking with industry for placements, consultancy and projects will be coordinated by the Office of Corporate Relations which will be expanded to suit the needs of College.

Subject: Accreditation status of program applied by Mahatma Gandhi Vidyamandir's Pharmacy College, Mumbai-Agra Road, Near Kannamwar Bridge, Panchavati, Nashik-422003, Maharashtra.

Sir,

This has reference to your application id No. 2690-02/01/2018 seeking accreditation by National Board of Accreditation to the UG Pharmacy program offered by Mahatma Gandhi Vidyamandir's Pharmacy College, Mumbai-Agra Road, Near Kannamwar Bridge, Panchavati, Nashik-422003, Maharashtra.

2. An Expert Team conducted an on-site evaluation of the program during 20<sup>th</sup> to 21<sup>st</sup> April, 2019. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The competent authority in NBA has approved the following accreditation status to the program as given in the table below:

Sl. No.	Name of the Program (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1	Pharmacy	January, 2016 Document	Accredited	Academic Years 2019-2020 to 2021-2022 i.e. upto 30-06-2022	Accreditation status granted is valid for the period indicated in Col 5 or till the program has the approval of the competent authority, whichever is earlier.

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The program has been granted accreditation for three years. Mahatma Gandhi Vidyamandir's Pharmacy College, Mumbai-Agra Road, Near Kannamwar Bridge, Panchavati, Nashik-422003, Maharashtra should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above to be eligible for consideration by the concerned Committee in NBA for further processing of the accreditation status. This could entail further extension of accreditation or a revisit, as deemed appropriate by NBA Committee.

5. The accreditation status awarded to the program as indicated in the above table does not imply that the accreditation has been granted to Mahatma Gandhi Vidyamandir's Pharmacy College, Mumbai-Agra Road, Near Kannamwar Bridge, Panchavati, Nashik-422003, Maharashtra as a whole. As such the institute should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the date from which the accreditation is effective, should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above program is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited program as indicated in the Table in paragraph 2, appears on the website and information bulletin of your institution.

7. The accreditation status awarded to the program as indicated in Table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

8. A copy of Report of Chairman of the Visiting Team and Evaluators' report in respect of the above program is enclosed.

9. If the Institute is not satisfied with the decision of NBA, it may appeal within thirty days of receipt of this communication giving reasons for the same and by paying the requisite fee.

Yours faithfully,
